

Riverside Alumnae Panhellenic Association

February, 2010

Dear Scholarship Applicant,

Riverside Alumnae Panhellenic Association is an organization for women who belong to National Panhellenic Conference Sororities. In college, our members joined sororities that are part of a larger organization called the National Panhellenic Conference. The National Panhellenic Conference's goal is to help inform college women about sorority life and encourage inter-sorority relations. When joining a sorority you become a member for life; therefore the National Panhellenic Conference also brings sorority alumnae together who continue to promote sororities and their values.

Each year Riverside Alumnae Panhellenic Association hosts the Riverside Home Tour, which allows visitors inside beautiful and sometimes historic homes in the Riverside area. This brings the community together and raises money for our local philanthropies as well as scholarships for young women graduating from high schools in the Riverside area. Riverside Alumnae Panhellenic Association has been awarding these scholarships to outstanding young women since 1947. A total of 194 high school seniors have received scholarships from our organization.

This year two scholarships will be awarded totaling **\$4,000** each. Included on the back of this letter is a detailed description of the scholarships as well as requirements and instructions for application. A copy of the application is attached and will need to be submitted along with the other required information. Please retain a copy of your completed application for reference. A copy of the application can also be found at our website, www.riversidepanhellenic.org.

Please be mindful that the application deadline is March 21, 2010, and that applications must be received by this date, not postmarked. No late or incomplete applications will be accepted.
